FAIRWAY-LX 3000 SERIES

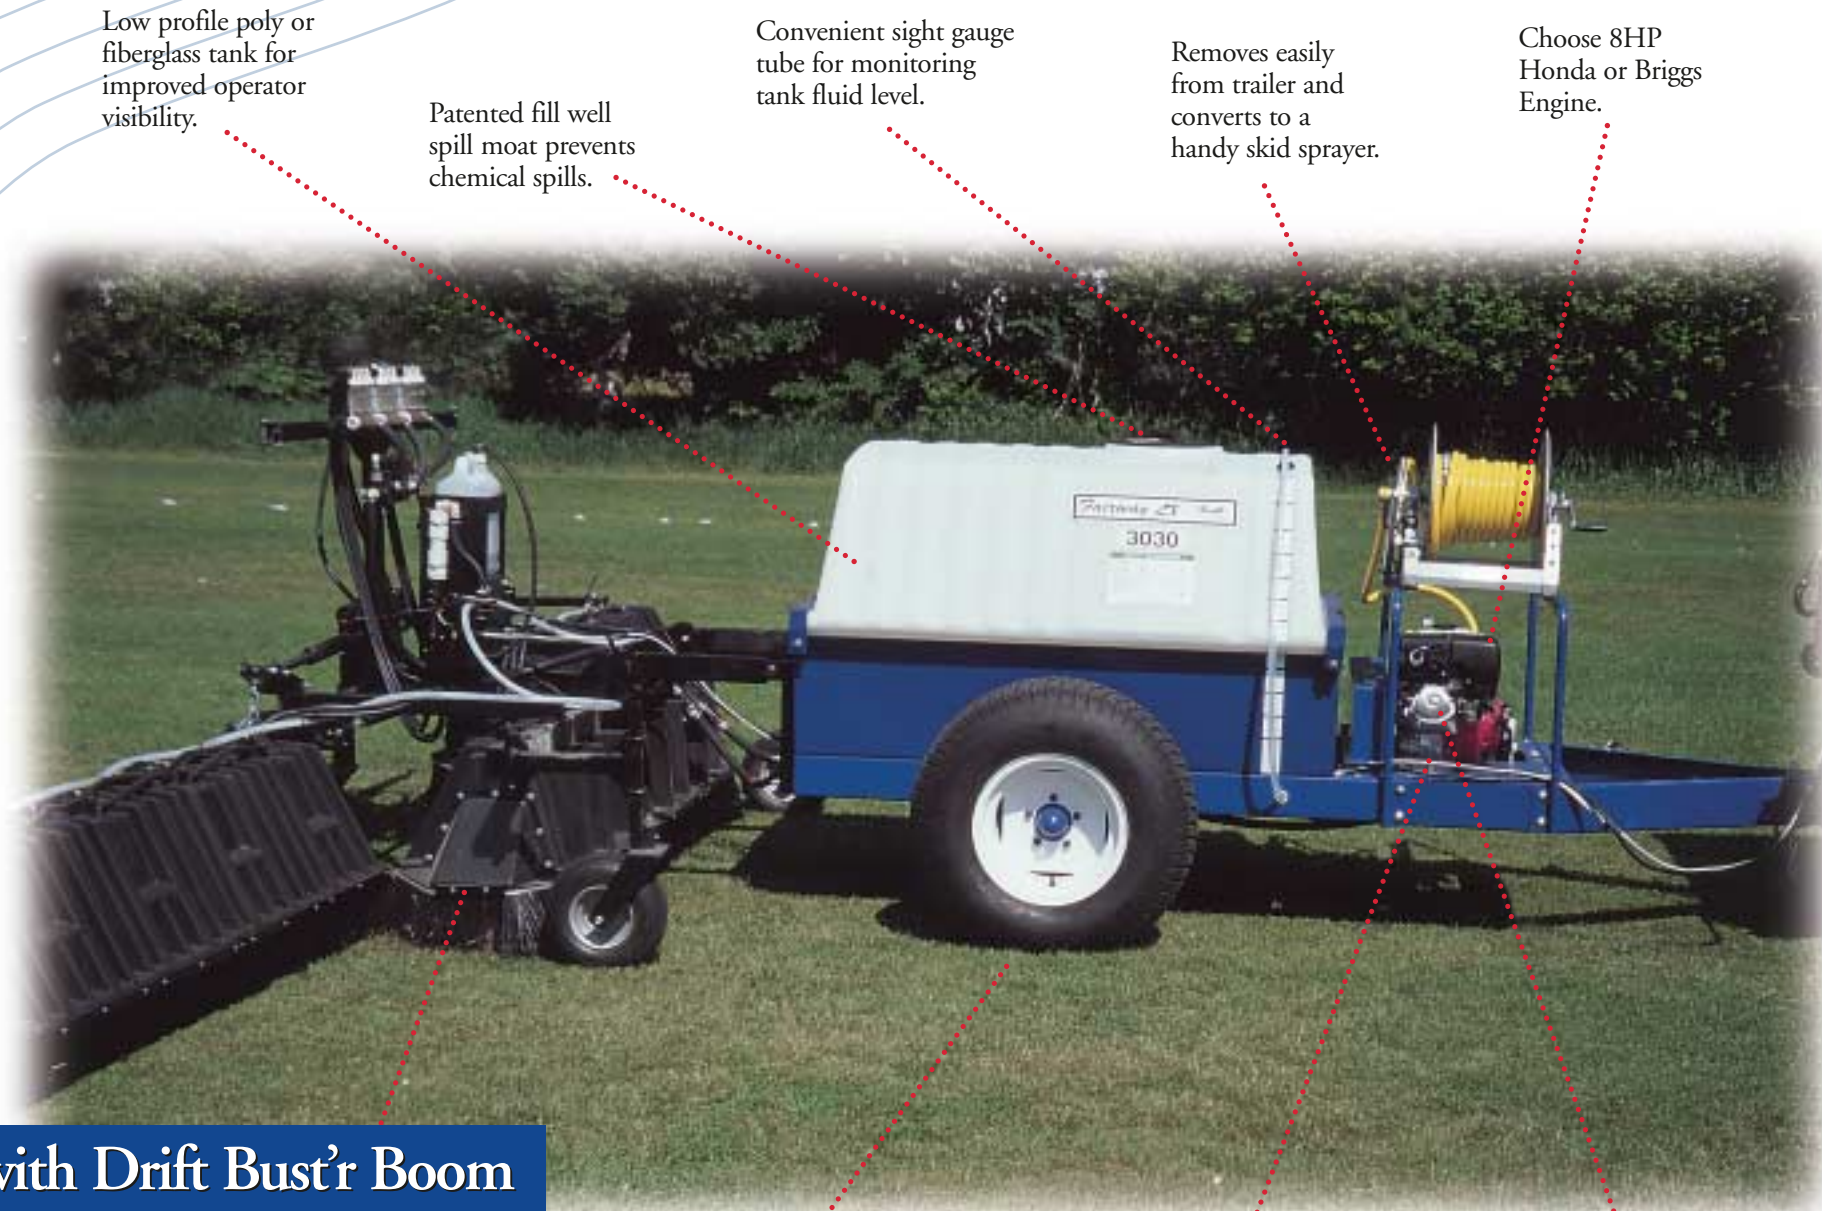

120-160-300 Gallon Low Profile Trailer Sprayers

FAIRWAY - LX 3000 SERIES

FAIRWAY-LX 3000 SERIES

Complete low profile design for improved operator visibility. Quality and versatility make Fairway-LX the clear choice of parks, municipalities & turf care professionals.

Low profile poly or fiberglass tank for improved operator visibility.

Patented fill well spill moat prevents chemical spills.

Convenient sight gauge tube for monitoring tank fluid level.

Removes easily from trailer and converts to a handy skid sprayer.

Choose 8HP Honda or Briggs Engine.

with Drift Bust'r Boom

Drift Bust'r adds no weight to tow vehicle and retrofits to all Broyhill tube sprayers.

Easy bolt-on heavy duty trailer assembly.

High volume centrifugal pumping system features Quadra-Jet agitation.

High pressure diaphragm pumping system features stainless steel mechanical agitation.

All Broyhill Turf Spray Booms easily attach to Fairway-LX. Choose from our traditional heavy duty 15 ft. or 21ft. low profile, 1 1/4" square tube booms.

For the ultimate sprayer package, select Drift Bust'r, Broyhill's 20 ft. self-supporting covered boom which can be attached or removed in minutes. Standard heavy duty outer wing lift kit and break-away hinges make Drift Bust'r easily maneuverable in tight areas. "Who ya gonna call?"... Broyhill, for the users choice in covered boom spraying.

The basic Fairway-LX makes an excellent skid sprayer in all available tank sizes.

Cover working parts with optional hood assembly, rugged design offers dual access for operator & maintenance convenience.

Optional surge brake trailer includes heavy duty leaf springs for smooth sprayer transportation.
